2013 PAVO/NCAA SCOREKEEPING EXAM ANSWER KEY

NOTE: All incorrect answers should be discussed and corrected.

PART I (True/False) & PART II (Multiple Choice) – TWO (2) POINTS PER QUESTION		
Q #	**ANSWER**	**COMMENTS**
1.	F	*All information on the scoresheet should be recorded using blue (or black) and red pens.*
2.	T	*Checking the player positions with the second referee helps ensure the correct players start each set in their designated starting positions.*
3.	F	*Individual and delay sanctions remain in force for the current set only and do not carry forward to subsequent sets.*
4.	F	*Requests for timeouts, substitutions, and libero replacements are not allowed until a rally is completed. A rally that is stopped and replayed is not considered to have been completed.*
5.	F	*The scorekeeper should inform the second referee of the coach's inquiry and allow the second referee to provide the requested information.*
6.	T	*It is a good practice for both the scorekeeper and assistant scorekeeper to visually confirm each server to ensure proper rotation order is maintained, and to identify a potential wrong server.*
7.	F	*The line judge to the right of the first referee is Line Judge 1 (R1 and LJ1 are on the same side of the court), and the line judge to the right of the second referee is Line Judge 2 (R2 and LJ2 are on the same side of the court).*
8.	F	*Exceptional substitutions never count as one of the team's allowable 15 substitutions.*
9.	T	*The libero replacement is improper since the libero can only avoid sitting out a rally between replacements if the libero is the next LEGAL server. If the officiating crew is proficient enough to intervene prior to service contact, the improper replacement can be corrected and a delay assessed.*
10.	F	*The circle or triangle is drawn at the moment the server contacts the ball for service.*
11.	T	*The scorekeeper notifies the second referee (who will notify each bench/coach) of that team's 12th, 13th, 14th, and 15th team substitutions. NOTE: The second referee may request that the scorekeeper provide substitution information prior to a team reaching its 12th substitution.*
12.	T	
13.	F	*The first improper request in a set is denied and noted on the scoresheet, even if a delay sanction has already been assessed to the same team in that set.*
14.	F	*The scorekeeper may not sound a horn/buzzer, but instead should notify the second referee immediately after the incorrect server contacts the ball.*
15.	T	
16.	C	*The position in which the libero will serve is not designated prior to any set.*
17.	A	*The scorekeeper records the team substitution count and maintains the running score on the far right side of the scoresheet DURING the entire set, not just at the change of courts.*
18.	B	
19.	C	*The scorekeeper and assistant scorekeeper record the team lineups when they are submitted.*
20.	B	
21.	D	*Any time a red card is involved in an individual or team sanction, including expulsions and disqualifications, a penalty point must result.*
22.	D	
23.	D	
24.	C	
25.	C
